Product Specification Sheet

Targus 15” radius Leather Messenger

Part #: TSM015US

Product Description:

The Targus radius Leather Messenger fits 15" Apple and 14.1" PC Notebooks. This case is made of full grain leather for ultimate style and durability. The front zip down workstation offers multiple pockets for mobile and personal accessories. Organization doesn’t get any easier with the custom retractable airline ticket and travel document holder. For carry comfort and convenience, the back slip pocket was designed with files in mind. It’s even large enough for newspapers and magazines. One size fits all with the adjustable padded shoulder strap. The fashionable orange faux suede lining adds color and style to the case. This messenger is a welcome addition to the family.
